

Call for submission to the DR. ALOIS MOCK SCIENCE AWARDS 2017

For the occasion of the Cultural Year Austria – Croatia 2017, initiated by the Federal Ministry for Europe, Integration and Foreign Affairs, the Dr. Alois Mock Europe Foundation intends to highlight the outstanding role of Dr. Mock in Croatia's recent history. Following a decision by its board of trustees, four Science Awards will be given to Croatian scientists dealing with Croatia in the spirit of the idea of the European Union. The award is endowed with 2500 Euros per laureate.

Female scientists are particularly encouraged to apply for the Croatia Science Award 2017 of the Dr. Alois Mock Europe Foundation.

The Dr. Alois Mock Science Awards are granted on the basis of a selection procedure by its Academic Advisory Board, in support of academic work (doctoral dissertation, PhD thesis, etc.) that is already completed or in the final stages of completion. The idea of the work should be peaceful integration of the peoples of Europe within the framework of European institutions aiming at permanently securing peace and prosperity in Europe. Academic work can be submitted in German, English and Croatian, however, preference will be given to German and English applications.

Applications should be submitted to the Academic Advisory Board specifying "Dr. Alois Mock Science Award":
